

CNPS 2009 Conservation Conference: Strategies and Solutions

January 17 - 19, 2009

**Sacramento Convention Center & Sheraton Grand Hotel
Sacramento, California**

Call for Contributed Oral and Poster Abstracts

Submission Period: March 1 to June 30, 2008

The CNPS 2009 Conservation Conference: Strategies and Solutions will bring together over 1,000 scientists, conservationists, university students, public policy makers, local and regional planners, and land managers from all regions of the state and beyond to share and learn about the latest developments in conservation science and public policy.

We invite solutions-based papers and posters on the following topics: climate change and California's flora; rare plant conservation and restoration; mitigation and monitoring of impacts on native plants; invasive species; vegetation classification and mapping for plant conservation; conservation genetics; equal protection policies for plants; regional planning tools; land management; and plant-science conservation. We also seek papers on plant conservation from regional and ecosystem-level perspectives, including Baja California.

See www.cnps.org for details.
