

Position Title: Sr. Planner/Consultant

Description: The Opportunity -MHA Environmental Consulting, an RMT Business, is in a growth mode due to its recent merger with RMT, Inc. MHA and RMT provide project definition, regulatory strategies, CEQA/NEPA compliance, permitting, and mitigation monitoring services for public and private clients to permit renewable energy, infrastructure, development, and water management projects. We provide these services to clients and projects in the San Francisco Bay Area, as well as throughout the western United States. MHA and RMT have assisted clients in solving their most difficult and diverse environmental and engineering challenges for nearly 30 years. The current opportunity is for a **Senior Planner/Consultant** in the San Mateo, California office. Join this established and growing company and become a contributor to finding new solutions for environmental concerns!

The Position - The Senior Planner/Consultant will have the responsibility of serving as project manager or project director for a wide range of renewable energy, traditional energy, water, and development projects. She/he will prepare proposals, define scopes of work and lead the preparation of all types of CEQA and NEPA documents. The Senior Consultant will supervise interdisciplinary team members, including subcontractors.

Requirements –

- The desire to join a fast-paced environment with a highly talented team of professionals.
- 5 to 10 years of applicable experience with an environmental consulting firm
- Excellent understanding of CEQA and NEPA compliance
- An applicable educational background (degree verified)
- Proven project management skills
- Excellent written, verbal communication skills, and interpersonal skills
- Enthusiasm and sense of fun
- Must have a valid CA driver's license, satisfactorily pass a pre-employment drug screen and Motor Vehicle Record check.

Benefits and Compensation- Compensation and benefits are competitive and include 401(k), health and life insurance, time away from work, employee referral program, flexible work schedule, healthy and safe work environment, etc. Eligible for Short Term Incentive Compensation. We value and support diversity and equal opportunities for employment.
